

**VBR Start Positions for May 2, 2021 before changes necessary for cancellations.**

If you are not going to be able to shoot at any match during the seson please let us know as soon as possible. This is mandatory as we have shooters waiting for positions to shoot every month. It is very discouraging to turn shooters away and see spots empty on a bench. Yes we do notice and will be making a note of groups who do not tell us when they have an open spot.

Some people are travelling a distance and do not want to come to find out there is no spot.

Also when you get your score card please advise before the match if your score card has incorrect information

eg. Class of rifle, name errors, your class.
