

# Lapua Monarch Cup

**We and Lapua have decided to formalize the concept with the following effort.  
Please join us in making this new shooting cup a success.**

- Each club per country will set up major match rules and will submit the proper match invitation to the public with the previous approval of host club authority.
- Major match prizes distribution, is going to be the responsibility of the host club.
- Each country, must submit their major championship invitation no later than 6 months previous to the match date, including the two previous bullet points. Making sure that key information is being included such as range location and a basic map with contact information for KEY personnel managing the match.
- LMC annual conference will take place iQ of each year starting 2020.
- LMC board has appointed Garin Hatch as the LMC website master.
